Welcome to St. Vincent's Health System and St. Vincent's East. We are excited about the opportunity to participate in the student's clinical learning experience.

Our associates are glad you have decided to join us in this mutually beneficial education experience. By working together we will continue to grow professionally, increase our knowledge base, and have fun.

Our ability to successfully fulfill our organization's vision and mission is directly related to serving our community and future healthcare professionals who share our values. It is our hope that this clinical environment will enhance that learning process.
